Subject: Dimock Residential Groundwater Site report out

Alex didn't p/u. probably out of cell phone bars.

Today my outreach included:

Returned Dimock resident [Ex. 6 - Personal Privacy] phone call inquiries. Followed up with providing the Sampling Plan to them. (per Rupert, it's also available on the website) and provided OSCs with summary of conversation.

Returned hotline call from Franklin Forks Twp resident [Ex. 6 - Personal Privacy] about her well situation. Followed up with providing OSCs summary of conversation.

Reviewed additional voice mail messages and emails and forwarded pertinent site related information to OSCs.

Received, scanned and emailed Well Survey from resident who is currently in Florida to OSCs.

Provided the initial fact sheet to OSC to upload onto website.
